Pathway to Success Term 1 2017

2/03/2017	Orientation	Sneak Peak	Introduction to Pathway to Success
7/03/2017 12.00pm – 2.00pm Level 6, Room 6.05	Career Doing Days	Discover 3 Simple Ways to Build Your Professional Identity Online	The time to build your professional identity is now! Don't wait to begin when applying for your dream role. In this workshop, you will learn 3 simple ways to quickly build your professional brand. Bring your laptops to this fun and actionable 'doing day'.
14/03/2017 12.00pm – 2.00pm Level 6, Room 6.05	The Road to Entrepreneurship	So you want to be an Entrepreneur? Discover Your Personal Pathway to Entrepreneurial Success	Einstein once said, "Everyone is born a genius, but if you judge a fish on its ability to climb a tree, it will spend its whole life believing it is stupid." In this session, you will discover your genius type and how that can be applied to owning and running your own business. By knowing your natural path to wealth creation, you can know what role models to follow, what advice to take, and what advice to ignore. In this session, you will learn a language of entrepreneurship based on your personal pathway to success. Join us for the first in our Road to Entrepreneurship series.
21/03/2017 12.00pm – 2.00pm Level 6, Room 6.05	Ideas That Matter: Tedx Workshops	Personal Development IS Professional Development: Draw your future into reality	In order to live consciously, we must first consider who we want to be and why we are here. Even by having a fraction of an answer to those questions, we can begin to design our future. Join us as we watch, discuss and act upon a Tedx talk from Patti Dobrowski and learn how to draw your future into reality.
28/03/2017 12.00pm – 2.00pm Level 6, Room 6.05	Industry Insights	SPEAKER	Details are going to be published closer to the date of workshop.
4/04/2017 12.00pm – 2.00pm Level 6, Room 6.05	Career Doing Days	Let's Practice: Nail that Cover Letter	Writing a cover letter is a critical component in landing your dream job. Potential employers learn a great deal not only about your ability to write but also your abilities to persuade, and to follow directions. In this workshop, you will be coached through how to write an ideal cover letter. All participants need to bring at a job advertisement to the workshop along with their laptops. If you have a rough draft of a cover letter, bring that as well.
11/04/2017	Term break	Non teaching week	No workshop
18/04/2017 2.00pm – 2.00pm Level 6, Room 6.05	Ideas That Matter: Tedx Workshops	The Future of Work: Where do Humans fit in the Age of Machines?	As we venture into the fourth industrial revolution, there is much talk about how artificial intelligence (AI), automation and robotics will shape jobs and eliminate entire professions. Equally, there are many who believe that these new times will usher in a "truly human age" where we will be free from the repetitive and mundane to flex our creative muscles. Join us for the first session in The Future of Work Series where we will watch, discuss and explore various Tedx talks on this topic.
25/04/2017	Industry Insights	ANZAC Day Public Holiday	No workshop
2/05/2017 12.00pm – 2.00pm Level 6, Room 6.05	Career Doing Days	5 Proven Strategies for Gaining Experience Before You Graduate	Many potential employers are looking for graduates with experience, but how do you gain the experience needed while you are still studying? Join us for this doing day, to discover 5 proven strategies for gaining experience BEFORE you graduate. Bring your laptops as you will have an opportunity to put 1 or 2 of these strategies into practice during the workshop.
9/05/2017 12.00pm – 2.00pm Level 6, Room 6.05	The Road to Entrepreneurship	The Startup Roadmap	Running your own business should be exciting, rewarding and fun. Yet, too often, it can be overwhelming and struggle if you do not have a clear path forward. In this workshop, you will learn the roadmap for taking your big idea to market based on the work of Roger James Hamilton a world-renowned futurist and social entrepreneur, best-selling author of The Millionaire Masterplan and founder of Entrepreneurs Institute. Join us for the second session in our Road to Entrepreneurship series.
16/05/2017 12.00pm – 2.00pm Level 6, Room 6.05	Ideas That Matter: Tedx Workshops	The Secrets to Future-Proofing Your Career in the Age of Machines	It is predicted that advancements in artificial intelligence (AI), automation and robotics are set to transform jobs and eliminate entire professions. If so, how do you future-proof your career for the years to come? What skill sets are needed regardless of profession? How can you create the most value in the future of work? Join us for the second session in The Future of Work Series. You will learn the top 10 skills needed to future-proof your career in the age of machines.
23/05/2017 12.00pm – 2.00pm Level 6, Room 6.05	Industry Insights	SPEAKER	Details are going to be published closer to the date of workshop.
30/05/2017 12.00pm – 2.00pm Level 6, Room 6.05	The Road to Entrepreneurship	5 Ways to Move Quickly From Big Idea to Proven Concept	Globally the entrepreneurial landscape is very favourable. According to the OECD, world-wide entrepreneurs contribute, on average, about 50% or more to the GDP; offer employment to an estimated 60% of the local workforce; create up to 70% of new job opportunities; and make up approximately 30% of exports. However, until you have a customer, you don't have a business. In this session, we will consider 5 ways to quickly acquire proof (or disproof) of concept without spending a lot of time or money on that 'big idea'. Join us for the third session in our Road to Entrepreneurship series.
