

# 2020 INTERNATIONAL SUN GUIDE START UNI NOW

# START UNIVERSITY NOW

SUN is a CQUniversity initiative that gives you the opportunity to study CQUniversity units while in senior high school. SUN allows you to enrol in a range of CQUniversity units (subjects) online (by distance education), which you can combine with your regular high school work.

## IS SUN FOR YOU?

- » Do you want to get a head start with study and your future career?
- » Do you want to further challenge yourself in your final years of high school?
- » Are you a high achieving student?
- » Are you self-motivated and can manage your own time effectively?

If so, SUN could be for you.

## WHAT ARE THE BENEFITS OF SUN?

### SNEAK PEEK

SUN provides you with an insight into university life and helps you understand the expectations of studying at a university level. This will help prepare you for the transition from high school to university.

## DIRECT ENTRY

After successful completion of SUN, you may be eligible to apply for direct entry into an undergraduate degree at CQUniversity (excluding quota managed courses<sup>1</sup>). To be eligible for direct entry, you must:

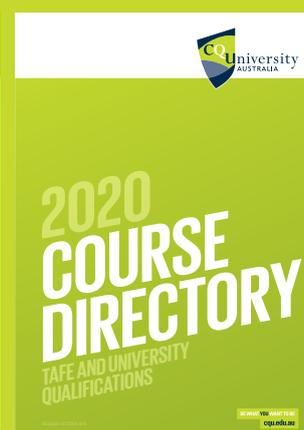

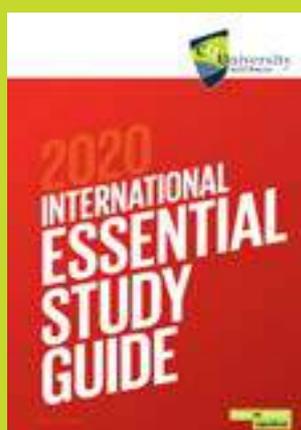

- » pass at least one SUN unit from the undergraduate degree you are applying for
- » meet all of the prerequisites of the undergraduate degree you are applying for.

You can study SUN units at the same time as your regular high school subjects and if you successfully pass your SUN units you may receive credit towards your Certificate of Education (eg. QCE, WACE, SACE, VCE). Find out more at [www.cqu.edu.au/int-sun](http://www.cqu.edu.au/int-sun).

## HOW TO USE THIS GUIDE

This guide provides information for students, parents and schools about Start Uni Now (SUN). If you're still deciding what to study, explore your career options and find courses that match your strengths, interests and aspirations on our website [www.cqu.edu.au](http://www.cqu.edu.au), or in our guides. Download a copy at [www.cqu.edu.au/international-students/international-brochures](http://www.cqu.edu.au/international-students/international-brochures).

For the latest information on SUN, refer to our website [www.cqu.edu.au/int-sun](http://www.cqu.edu.au/int-sun).

### AFFORDABLE

You have the opportunity to undertake your first SUN unit at zero cost (excluding textbook and resource expenses).

Subsequent SUN units are offered at a reduced price, which is less than a third of the cost that a regular university student would pay. As a SUN student you can potentially save thousands of dollars.

### CREDIT TRANSFERS<sup>‡</sup>

If you enrol as a CQUniversity student after successful completion of senior high school, International Baccalaureate diploma, International Baccalaureate Career-related Programme or A Levels, you may be eligible to receive a credit transfer for each SUN unit you have passed.

Provided these SUN units are part of your degree at the time of your undergraduate admission, a credit transfer would count towards your degree. This will reduce the number of units you need to study when you start university and may reduce the duration of your university course.

### MEET UNIVERSITY ENTRY REQUIREMENTS<sup>^</sup>

SUN offers a range of units, which may assist you in satisfying university entry prerequisites for science and maths related subjects.

### HOW MUCH DOES SUN COST?

Your first unit in the SUN program is free. Subsequent units (up to an additional three units) are offered at a significantly discounted rate of AU\$500 per unit.

In addition to the unit cost, there may be other expenses such as textbooks and resources. Fees must be paid upfront.

### WHERE CAN I STUDY SUN?

SUN units can be studied entirely online (by distance education), which means you can choose a way of studying that suits you best, regardless of where you live.

As a SUN student studying online, you will require regular access to the internet and a reliable computer.

<sup>^</sup> A quota managed course has a set limit on the number of students who may be admitted in any academic year. As a result these courses are not available for direct entry. Quota managed courses include Bachelor of Oral Health and Bachelor of Physiotherapy (Honours).

<sup>‡</sup> Credit transfers toward courses at other universities should be discussed with the relevant university.

<sup>^</sup> Students intending to utilise SUN units in order to meet university pre-requisites should discuss with the SUN Team and/or relevant university prior to enrolment.

## WHY CHOOSE CQUNI?

### A FIVE STAR UNIVERSITY<sup>+</sup>

CQUni has achieved 5 stars for our social equity, full-time employment, starting salary and student support.

### OUTSTANDING EMPLOYMENT OUTCOMES<sup>\*\*</sup>

79.5 per cent of CQUni undergraduates secure full-time employment within four months of graduating (national average 72.3 per cent).

<sup>+</sup> Good Universities Guide 2020.

<sup>\*\*</sup> ComparED 2019.

### AUSTRALIA'S FIRST CHANGEMAKER CAMPUS

We are recognised as Australia's first and only Changemaker Campus by global social innovation group Ashoka U.

### INDUSTRY RELEVANCE

Courses designed alongside industry to prepare you with up-to-date, real-world knowledge and skills.

Discover more: [www.cqu.edu.au/internationalreputation](http://www.cqu.edu.au/internationalreputation)

### **WHAT LEVEL OF COMMITMENT IS INVOLVED?**

It is recommended that you dedicate between 10 – 12 hours of study to each of your enrolled units per week (over a 12 – 14 week period).

Studying SUN units requires good time management skills, the ability to work independently and a proactive attitude. University study is very flexible and this allows you to work your study time around other commitments such as a part-time job or sport.

You can study your SUN unit/s after school and on weekends. You may also choose to study a SUN unit as your sixth subject choice at school. You should speak with your school Guidance Officer or Principal to discuss the best way for you to manage your study commitments.

### **WHAT SUPPORT DO I RECEIVE AS A SUN STUDENT?**

Even though you will be studying online, you have access to many of the same resources and support services as on-campus CQUniversity students.

#### **SUN PROJECT OFFICER**

A dedicated staff member who will assist you throughout your SUN study journey.

#### **ACADEMIC LEARNING CENTRE (ALC)**

The ALC is a 'one-stop-shop' for information, advice and resources related to academic writing, mathematics, science and computing requirements of study at CQUniversity.

#### **STUDENT LIFE AND WELLBEING CENTRE**

This Centre provides you with both academic and personal counselling, as well as assistance with time management and study skills. If you have a disability or medical condition, you are encouraged to register with the Inclusion and Accessibility Service to review your support needs.

#### **CAMPUS SUPPORT**

Students located close to a CQUniversity location are also able to access facilities such as campus libraries and computer labs.

**Nadia Lyons has completed SUN studies towards a Bachelor of Nursing**

Start Uni Now allowed me to pursue studying what I'm most passionate about. Through SUN I graduated high school with direct entry and six months of my Bachelor of Nursing completed.

SUN was a great experience and provided me with an insight into university life.

## AM I ELIGIBLE TO APPLY FOR SUN?

To be eligible to apply for SUN you must be:

- » enrolled in Australian Curriculum Year 11 or 12 (or equivalent). UK A Level Curriculum, the International Baccalaureate, Polytechnic\*, or other equivalent Senior High School\* Curriculum
- » achieving equivalent to an average B grade (or better) across all Australian school subjects as per your most recent report card)\*
- » achieve an English level of IELTS 5.5 overall with no bands less than 5.5, or equivalent English. We will also accept IGCSE/GSCE Grade C in English Language and International Baccalaureate MYP Certificate Grade 4 in English.
- » A variation of English language requirements, in terms of higher English language proficiency may be applied for specialist health, medical and nursing units.

Courses with non-standard English language requirements are listed on page 9.

For more information visit [www.cqu.edu.au/englishreq](http://www.cqu.edu.au/englishreq).

You will also require permission from your Principal or school nominee and a parent or guardian.

## HOW TO APPLY

To apply for entry into SUN visit [www.cqu.edu.au/int-sun](http://www.cqu.edu.au/int-sun) and review the *How to Apply* section.

Students should submit their application and supporting documentation online via the iStart online application system.

You must submit a copy of your most recent certified school report card with the SUN application, as well as gain both parental/guardian and school approval.

Applications must be received at least three weeks prior to the commencement of the relevant term.

## HOW DO I CHOOSE A SUN UNIT?

Did you know that more than 100 CQUniversity units are available for study as part of SUN?

When selecting the unit you wish to apply for it is important to consider the following questions.

- » What career are you interested in pursuing?
- » What course is required to pursue that career?
- » Does the SUN unit form part of the requirements for that course?
- » Is the unit offered in the term you wish to study?

\* Delivered in English.

+ GSCE minimum C grade in all subjects, International Baccalaureate Middle Years Program Grade 4 in all subjects. Other qualifications are assessed on a case-by-case basis.

## DO I RECEIVE CREDIT TOWARDS MY ATAR? (ONSHORE INTERNATIONAL STUDENTS)

SUN study may provide credit towards a student's ATAR in Victoria and South Australia. For more details refer to the SUN Guidelines at [www.cqu.edu.au/int-sun](http://www.cqu.edu.au/int-sun).

## DO I RECEIVE CREDIT TOWARDS MY STATE CERTIFICATE OF EDUCATION?

SUN study may provide credit towards each State's respective Certificate of Education. There are currently arrangements in place which provide credit towards the Queensland Certificate of Education (QCE) and some credit toward the Western Australia Certificate of Education (WACE), South Australia Certificate of Education (SACE), Victorian Certificate of Education (VCE).

Unfortunately, there are currently no arrangements in place to provide credit for those students undertaking their Higher School Certificate (HSC NSW), Northern Territory Certificate of Education (NTCE) or Tasmanian Certificate of Education (TCE). It is strongly encouraged that you and your parent/guardian talk to your nominated Schools Contact in regards to potential credit options. For more details refer to the SUN Guidelines at [www.cqu.edu.au/int-sun](http://www.cqu.edu.au/int-sun).

# SUN UNIT AVAILABILITY

The tables below show the SUN units available that will help you towards your desired degree.

## ALLIED HEALTH

Allied health professionals provide essential care for people of all ages including children, older people, people with chronic illnesses or mental ill-health, and those experiencing disability to identify and assess issues, provide treatment and to support acquisition of skills, recovery and reablement.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Allied Health</b>				
ALLH11001- Introduction to Allied Health Practice		✓		
ALLH11006 - Life Course Development for Health Professionals			✓	
ALLH11009 - Research Methods for Health Professionals		✓

THTR11121 - Theatre Studies 2				✓

^^ Prerequisite unit required: Students must successfully complete MUSC11405 prior to enrolling in MUSC11406.

### SOCIAL INNOVATION

CQUniversity wants to change the world for the better. To drive this transformation we have embedded social innovation principles across our five schools, and at all our campuses. We work with government, industry, business and community to empower students to solve real-life challenges locally and internationally.

Social innovation units can help you develop skills to develop creative and resourceful solutions to challenges facing the modern world.

Find out more about Social Innovation at CQUniversity at

[www.cqu.edu.au/socialinnovation](http://www.cqu.edu.au/socialinnovation)

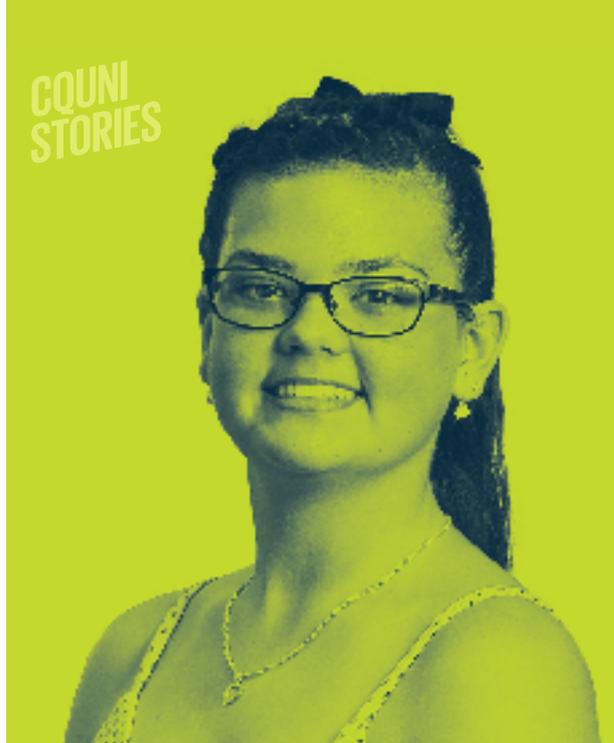

## DIGITAL MEDIA, COMMUNICATION AND ARTS

Digital media, communication and arts units provide the right mix of theory and practical experience and will expose you to study elements in design, digital production, animation and media.

	TERM OFFERED	T1	T2	T3

MMST11009 - Digital Video and Audio		✓		
MMST11010 - Illustration and Visualisation		✓		

\*To be eligible for direct entry into these education courses, you're required to have also completed the following English language pre-requisites:

- » An International English Language Testing System (IELTS Academic) overall band score of at least 7.5 overall with a minimum 7.0 for Reading and Writing and 8.0 for Speaking and Listening; or an Occupational English Test with Grades A or B only in each of the four components.

### Zali Garioch is a Bachelor of Education (Secondary) student who completed SUN

The best thing about distance education is that it didn't feel distant at all, CQUni staff were always willing to help with anything and everything, which was extremely encouraging as I was still a little nervous about the whole uni thing.

## EDUCATION AND TEACHING

Our education units provide the perfect pathway for those seeking a career as a teacher in the early childhood, primary or secondary sectors. Progress onto further studies to become a qualified teacher through our Bachelor of Education course.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Education (Early Childhood)*</b>				
EDCU11031 - Development and Learning Through Life		✓		
EDCU11033 - Multiliteracies		✓		✓
EDED11454 - Education as a Profession		✓		✓
EDED11455 - Curriculum Foundations and Decision-Making			✓	
EDED11456 - Communication in Educational Environments			✓	
EDED11457 - Responding to Diversity and Inclusion			✓	
EDED11458 - Indigenous Studies and Learning			✓	✓
<b>Bachelor of Education (Primary)*</b>				
EDCU11031 - Development and Learning Through Life		✓		
EDED11454 - Education as a Profession		✓		✓
EDED11455 - Curriculum Foundations and Decision-Making			✓	
EDED11456 - Communication in Educational Environments			✓	
EDED11457 - Responding to Diversity and Inclusion			✓	
EDED11458 - Indigenous Studies and Learning			✓	✓
<b>Bachelor of Education (Secondary)*</b>				
EDED11454 - Education as a Profession		✓		✓
EDED11457 - Responding to Diversity and Inclusion			✓	
EDED11458 - Indigenous Studies and Learning			✓	✓
EDSE11024 - Teaching Youth		✓		

## ENGINEERING AND AVIATION

Engineering and aviation units allow you to benefit from strong partnerships with industry, providing a practical approach to learning.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Aviation (Commercial Pilot)</b>				
AVAT11002 - Basic Aeronautical Knowledge		✓	✓	
AVAT11007 - Flight Planning, Performance and Operations (PPL)			✓	✓
<b>Bachelor of Engineering or Bachelor of Engineering Technology</b>				
ENEG11006 - Engineering Statics		✓		✓
MATH11160 - Technology Mathematics		✓	✓	

Please note: Conditions apply in regards to credit for these units towards the Bachelor of Engineering.

## INFORMATION SYSTEMS AND TECHNOLOGY

Information systems and technology courses will give you a great start to a career in this area by providing exposure to aspects of application development, business analysis and network security.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Information Technology</b>				
COIT11222 - Programming Fundamentals		✓	✓	✓
COIT11223 - Information Technology and Society			✓	✓
COIT11226 - Systems Analysis		✓	✓	✓
COIT11237 - Database Design and Implementation <sup>^</sup>		✓	✓	
COIT11238 - Networked Infrastructure Foundations		✓	✓	✓
COIT11239 - Professional Communication Skills for ICT		✓	✓	✓

T1 = Term 1 | T2 = Term 2 | T3 = Term 3

## NURSING, PARAMEDICINE AND HEALTH

Health and medical professionals such as nurses and paramedics provide immediate care for those requiring emergency care and treatment. Exercise and sports scientists design, deliver and evaluate exercise programs, interventions and assessments that meet the overall health needs of clients.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Exercise and Sports Science</b>				
BMSC11001 - Human Body Systems 1		✓	✓	✓
BMSC11002 - Human Body Systems 2		✓	✓	✓
ESSC11002 - Measurement and Evaluation in Health Science			✓	✓
ESSC11004 - Study and Research Skills for Health Science		✓		✓
<b>Bachelor of Nursing</b>				
BIOH11005 - Introductory Anatomy and Physiology		✓	✓	✓
NURS11157 - Lifespan Approach to Health and Wellness for Nursing		✓	✓	
NURS11158 - Evidence Informed Nursing Practice		✓	✓	
NURS11159 - Introduction to Nursing		✓	✓	

## PSYCHOLOGY

Psychology units are dynamic, diverse and provide a solid basis for further education in a wide range of career options. Develop your skills to observe the human behaviour and motivations, and help others understand themselves better. Studying psychology will get you started on the journey to a diverse range of careers.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Psychological Science</b>				
PSYC11008 - Biological Foundations of Psychology		✓		✓
PSYC11009 - Social Foundations of Psychology			✓	✓
PSYC11010 - Fundamentals of Psychology			✓	
PSYC11012 - Foundations of Psychological Research		✓		✓

<sup>^</sup> Prerequisite unit required: COIT11226 Systems Analysis

## SCIENCE, ENVIRONMENT AND AGRICULTURE

Science and environment units allow you to engage your passion for discovery with the choice of study area in agriculture, agricultural and food science, analytical and molecular science, ecology and conservation biology, environmental science and more.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Agriculture</b>				
SCIE11023 - Scientific Research Fundamentals		✓		
<b>Bachelor of Science</b>				
ESSC11004 - Study and Research Skills for Health Science		✓		✓

## TRANSPORT AND SAFETY SCIENCES

Transport and safety sciences provide you with career opportunities in an industry that is experiencing continual growth. Study in this area might be of interest to you if you are interested in investigating the hows and whys of accidents or are passionate about fostering a safe workplace culture.

	TERM OFFERED	T1	T2	T3
<b>Bachelor of Accident Forensics</b>				
AINV11001 - Real World Investigation		✓	✓	
AINV11002 - Socio-technical Systems <sup>^</sup>			✓	
BIOH11005 - Introductory Anatomy and Physiology		✓	✓	✓
OCHS11025 - Health and Safety Risk Management		✓		✓
OCHS11026 - Introductory Occupational Health and Safety		✓	✓	✓
OCHS11027 - OHS Fundamentals		✓	✓	
<b>Bachelor of Occupational Health and Safety</b>				
AINV11001 - Real World Investigation		✓	✓	
AINV11002 - Socio-technical Systems			✓	
AINV11003 - Introduction to Investigative Methods			✓	
BIOH11005 - Introductory Anatomy and Physiology		✓	✓	✓
HLTH11027 - Foundations of Health		✓		✓
OCHS11025 - Health and Safety Risk Management		✓		✓
OCHS11026 - Introductory Occupational Health and Safety		✓	✓	✓
OCHS11027 - OHS Fundamentals		✓	✓	
SCIE11022 - Introductory Science		✓		

<sup>^</sup> Prerequisite unit required: Students must successfully complete AINV11001 prior to enrolling in AINV11002.

## COURSES WITH NON-STANDARD ENGLISH LANGUAGE ENTRY REQUIREMENTS

COURSE	ENTRY REQUIREMENTS

T1 = Term 1 | T2 = Term 2 | T3 = Term 3

## IMPORTANT DATES

SUN is offered over three university terms; however, not all units are offered in all terms. University terms generally do not run at the same time as your school terms. In some cases you will be studying during school holidays. Each term is 12 weeks in duration followed by an examination period.

### 2020 TERM DATES

#### TERM 1

Monday, 9 March – Friday, 5 June

#### SUN application due date

Friday, 14 February

#### SUN fee due date\*

Tuesday, 31 March

#### TERM 2

Monday, 13 July – Friday, 9 October

#### SUN application due date

Friday, 19 June

#### SUN fee due date\*

Tuesday, 4 August

#### TERM 3

Monday, 9 November 2020 –

Friday, 12 February 2021

#### SUN application due date

Friday, 16 October

#### SUN fee due date\*

Tuesday, 1 December

\* Also known as Census Date. This is the last date to withdraw without financial penalty and also the last day to pay your SUN tuition fee.

#### Education Services for Overseas Students (ESOS)

CQUniversity and the Australian Government want international students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for international students. These laws are known as the ESOS framework. For further information please visit [www.cqu.edu.au/esos](http://www.cqu.edu.au/esos).
