

Central Queensland University 2007 Tuition Fee Schedule

The 2007 Tuition Fee Schedule is effective from 1/1/2007 and replaces all Schedules previously issued. Tuition Fees are reviewed annually and published on 1st October each year for the following year.

Tuition Fees for each course of enrolment are calculated per unit of credit. Except where otherwise indicated, examples of “Fee per Course” in the Schedule assume that fees are calculated for:

- a standard UNDERGRADUATE course of 6 units of credit; or
- a standard POSTGRADUATE course of 8 units of credit.

However, courses may have a unit of credit value different to the standard value – please check the Student Handbook for information on units of credit per course. Fees applicable to domestic students for each course offered by CQU are also published in the Cost per Course table at

<http://www.cqu.edu.au/studinfo/admin/studfinance/studfinancefeescharges.htm>.

Students are advised to check the **Calendar of Principal Dates** each term for information about the last date for full fee paying students to withdraw without financial penalty. NOTE: These dates also apply to students who have submitted a *Request for FEE-HELP assistance*. <http://handbook.cqu.edu.au/>

CQU policies relevant to payment of fees include the Collections Policy and the Refund Policies:

<http://policy.cqu.edu.au/>.
