

Central Queensland University 2004 Tuition Fee Schedule

This Fee Schedule is effective from 1/1/2004 and replaces all Fee Schedules previously issued.

Fees for each course of enrolment are calculated per unit of credit.

Examples of “Fee per Course” in the Schedule assume that fees are calculated for:

- a standard UNDERGRADUATE course of 6 units of credit; or
- a standard POSTGRADUATE course of 8 units of credit.

However, courses may have a unit of credit value different to the standard value – please check the Handbook for information on units of credit per course.

Students are advised to check the **Calendar of Principal Dates** each term for information about the last date for full fee paying students to withdraw without financial penalty. NOTE: These dates also apply to PELS students. <http://handbook.cqu.edu.au/pages/front.html>

CQU policies relevant to payment of fees include the Collections Policy and the Refund Policies: <http://www.cqu.edu.au/studinfo/admin/studfinance/studfinancepolicies.htm>

Information about invoices and other Student Finance responsibilities is at: <http://www.cqu.edu.au/studinfo/admin/studfinance/index.htm>

Tuition Fees are reviewed annually.
