

PRINCIPAL'S RECOMMENDATION SCHEME

CQUniversity's Principal's Recommendation Scheme is an early offer program that provides Year 12 students with an alternate entry pathway to a CQUniversity course. Through this Scheme Year 12 students can apply for a course and receive an unconditional* offer based on the recommendation of their school Principal, rather than an ATAR.

With entry based on a Principal's recommendation, the Principal's Recommendation Scheme recognises that factors such as motivation, talent and passion play an important role in student success at university.

BENEFITS OF THE SCHEME

The Principal's Recommendation Scheme is an ideal entry pathway for all Year 12 students, whether they are on track for an ATAR or not.

The Scheme gives students certainty about their study options after school with entry based on the recommendation of their school Principal, rather than their ATAR result. Plus, with applications processed within 48 hours, students can receive an unconditional offer for a CQUni course before their senior results are released.

WHAT TO INCLUDE ON THE RECOMMENDATION LETTER

To be accepted, the Principal's recommendation letter must:

- » be on school letterhead
- » be signed and dated by the Principal
- » list the student's full name
- » list the name of the course that the student is being recommended for.

"I chose to study at CQUni because of the atmosphere that it provides. The lecturers here are fantastic people, always willing to help you outside of the classroom."

- Ryan Cooke, Bachelor of Psychological Science

* Some courses have additional requirements and where noted conditional offers only will be made for these courses.
