

2022 Tuition Fee Schedule – Domestic Students

This 2022 Tuition Fee Schedule is effective from 1 January 2022 and replaces all Schedules previously issued:

- Tuition Fees are reviewed annually and can increase from year to year
 - The actual cost of study in any term cannot be determined until you enrol. Once enrolled, you will be able to view your account online in MyCQU and access a Fee Notice*. The Fee Notice will detail the tuition fee charged for each unit enrolment and any payments, discounts or other credits allocated to pay those fees.
- *Fees are usually calculated in February and calculate on enrolment after that. Fee Notices are not available until fees have been calculated.

Tuition Fees for each unit of study are calculated per credit point. Except where otherwise indicated, examples of “Fee per Unit” in the Schedule assume a standard unit of **6 credit points**. Individual units may, however, have a credit point value different to the standard value – please check the [Student Handbook](#) for information about credit points for each unit.

CQUniversity policies relevant to the payment of fees include the *Collections Policy and Procedure* and the *Student Refund and Credit Balance Policy and Procedure*. All University policies can be accessed at <https://www.cqu.edu.au/policy>.

Students are advised to check the [Academic Calendar](#) (Key Dates) in the [Student Handbook](#) each term for information about the census (due) dates which is the last date to withdraw without financial liability. NOTE: These dates apply to all students, international and domestic.

Students in courses or units on the Be Different platform will have different census dates to the standard Terms 1, 2 & 3 – students should refer to the [Academic Calendar](#) specific to Be Different or the course web site for the census date in this case.

Information about **Fee Notices** is available in [MyCQU](#).

Enquiries from students and non-students about Fees, Fee Notices and due dates can be directed to:
