

My job CHANGES LIVES

JOIN US

At CQUniversity, we have an unbreakable belief that higher education, training and research should be available to everyone – regardless of background, location or life circumstances. When you're a part of the CQUni team, you play a part in transforming people's lives in ways that many of them had only ever dreamed of. If that idea appeals to you, we'd love to welcome you to the team.

WHO IS CQUNI?

With 20 strategically-placed campuses across Australia, CQUni's footprint is one of the largest and fastest growing in the country. We are a dual sector University, with more than 175 years of combined experience, allowing us to deliver unique opportunities for both students and industry. Seen as a leader in online education, we have national and international recognition in areas including research, teaching outcomes and social innovation. This has seen us emerge as one of Australia's great universities.

With the continued expansion of student success, research excellence and community engagement firmly in its sights, the next 25 years will see CQUniversity as a leader on the global stage.

CQUniversity provides a supportive work environment with some of the best conditions in the industry. It is important that our staff enjoy a positive and well-balanced lifestyle, and our benefits package reflects this. Generous leave entitlements, superannuation and leave loading is just the start.

We promote a number of strategies to encourage personal health and wellbeing, which includes professional coaching, counselling, nutritional advice and wellbeing services for our employees. In addition to this we continue to invest in our staff, with a comprehensive suite of training, professional development and networking opportunities available.

“

CQUni offers an education to all people, and education can change the world. There is such a wide range of students – from high school leavers, mature age, Indigenous Australians, people with disability, people in rural and remote areas, and students from overseas – and they are all welcome to come to CQUni and achieve their goals of what they want to become.
