

NOW IS THE TIME TO STUDY IN REGIONAL QUEENSLAND

With approximately A\$500 000 worth of scholarships available to international students, there has never been a better time to consider studying at one of CQUniversity Australia's regional Queensland campuses.

Choose to study in Cairns and experience a campus with a view of the spectacular esplanade; or Rockhampton, our largest campus offering the perfect hub for exploring the beach, outback and everything in between.

These study locations offer much more than a quality education with their close-knit communities, a truly Australian experience, opportunities to explore iconic natural wonders, and a lower cost of living than capital cities.

CQUniversity encourages you to apply to study at either our Cairns or Rockhampton regional Queensland campus and be a recipient of the Destination Australia Scholarships for the full duration of your studies.

All international students studying at CQUniversity's regional Queensland campuses will also be eligible for the International Student Scholarship – Regional (ISS–R), which provides students with an additional 25% scholarship for the duration of your studies.

SCHOLARSHIP VALUE

Up to A\$15 000 per year plus a further 25% tuition fee scholarship through the ISS–R.
