Timetable for elections

- 3.4 Elections to the Council shall be held as required and in accordance with a timetable determined in each case by the Secretary to Council.

Casual vacancies

- 3.5 If a casual vacancy arises in the office of an elected member, Council shall make an appointment to the office in accordance with the provisions of section 20(A) of the Act. The person appointed shall fill the vacancy for the balance of the term of office of the person's predecessor, in accordance with section 22 of the Act.

Returning Officer

- 3.6 The Secretary to Council shall be the Returning Officer for all elections to the Council, and shall have the authority to appoint persons to assist in the conduct of any such election and in the performance of the duties of Returning Officer.

Establishment of electoral rolls

- 3.7 For each election to the Council, the Secretary to Council shall establish electoral rolls in the following categories.
 - The Academic Staff Roll - consisting of the full-time and part-time academic staff of the University which covers continuing and fixed-term employees appointed on full-time, part-time or flexible work year arrangements, but not casual staff.
 - The TAFE Educational Employees Roll – consisting of the full-time and part-time teaching staff of the University which covers continuing and fixed-term employees appointed on full-time, part-time or flexible work year arrangements, but not casual staff.
 - The Professional Staff Roll – consisting of the full-time and part-time professional staff of the University, which covers continuing and fixed-term employees appointed on full-time, part-time, term, annualised hours or flexible work year arrangements, but not casual staff.
 - The Student Roll – consisting of the full-time and part-time enrolled enabling, vocational, undergraduate and postgraduate students of the University.
- 3.8 Each electoral roll shall contain the name of each person entitled to be on that roll. Each roll shall be established by the Secretary to Council and shall be open to inspection by any person from the category of persons to be included on that roll. The rolls are to be kept in such form as the Secretary to Council sees fit.
- 3.9 Any person qualified in terms of Section 6.7 to be included on a roll, and whose name has not been entered on that roll, may apply to the Secretary to Council to have their name included on the roll. If the Secretary to Council is satisfied that the applicant is entitled to be enrolled, the Secretary to Council shall enter the applicant's name on the appropriate roll.

Notification of forthcoming election

- 3.10 When an election of a member of the Council is necessary, the Secretary to Council shall notify all persons eligible to be on the relevant electoral roll that it is intended to conduct an election.
- 3.11 The normal method of notification to staff and students will be via their University e-mail address. The Secretary to Council may, in addition, decide to publicise the election in appropriate newspapers.

3.12 The notice shall:

- state the number and categories of members to be elected
- invite nominations of persons for election. Such nominations shall be made in a form specified by the Secretary to Council
- state that candidate statements are to be no longer than 500 words
- prescribe a date and time, which shall be not less than 10 days and not more than 21 days after the day on which nominations were called, by which nominations must be delivered to the Secretary to Council or other Returning Officer nominated by the Secretary to Council, and
- prescribe a date and time, which shall be not more than five days prior to the day on which nominations for the election close, at which the electoral roll for that election will be closed.

Nominations and voting

- 3.13 The presence of a person's name on an electoral roll at the time and date specified, as provided for in Section 3.12, for the closing of that roll, shall be the sole criterion for entitling that person to be nominated for election and to vote at the election for the category of membership.
- 3.14 A person shall not be a candidate for more than one vacancy on the Council at any one election.
- 3.15 A person shall not be entitled to occupy concurrently more than one position on the Council.
- 3.16 Once voting in an election has commenced, a candidate will not be able to withdraw from candidacy.

Voting

- 3.17 If at the expiry of the date and time by which nominations for election must be delivered to the Secretary to Council or specified Returning Officer, the number of persons duly nominated does not exceed the number of such persons to be elected, the person or persons duly nominated shall be deemed to have been duly elected.
- 3.18 Where the number of nominations exceeds the number of vacancies to be filled, the Secretary to Council shall conduct an election by electronic vote. The following shall be made available to each person entitled to vote:
- an electronic voting form which shall show the names of the candidates for election. The order in which the names appear shall be the same order as they are drawn by the Secretary to Council
 - a notice indicating that the voting form must be completed in the University's online election system and prescribing a date and time by which a completed voting form must be submitted in order to be included in the count of the election, and
 - where a candidate has supplied to the Secretary to Council, in the time specified by the Secretary to Council a statement setting out the candidate's University status and other qualifications for office, a copy of that statement.
- 3.19 In any election, an interval prescribed by the Secretary to Council, of not less than five and not more than 21 days, shall be allowed between the commencement of voting and the close of voting.

Recording a vote

- 3.20 To record a vote, a voter shall click in the square opposite the name of each candidate the voter wishes to be elected, completing no more squares than there are vacancies to be filled.

Counting of votes

- 3.21 The Returning Officer shall rely on the report provided by the online election system detailing the number of votes received by each candidate. This report will be produced automatically by the system immediately following the time scheduled for the close of voting.

- 3.22 The online election system will not permit more votes than are required to be cast by any voter. The system will only count votes cast by clicking in the square next to the candidate's name.
- 3.23 The candidate who has received the largest number of votes shall be declared elected. In the case of two candidates receiving the same number of votes, the Returning Officer shall draw lots in the presence of scrutineers to determine which of the two candidates is to be declared elected.

Notification of results

- 3.24 The Returning Officer shall, as soon as practicable after the result of an election has been declared, publish the result by electronic or other means, and shall notify the successful and unsuccessful candidates. The electorate may contact the Secretary to Council to view the number of votes cast for each candidate.

Invalidity

- 3.25 No election is to be invalid by reason of:
- any defect in the title or want of title of any person by or before whom such election is held if such person really acted at the election, or
 - any formal error or defect in any declaration or other instrument or in any publication made pursuant to these procedures or intended to be so made, or
