1 ESTABLISHMENT

The Institutional Biosafety Committee is a sub-committee of the Research Committee, and will provide reports, recommendations and/or advice to the Deputy Vice-Chancellor (Research) and the Research Committee.

2 FUNCTIONS AND RESPONSIBILITIES

The Committee's functions and responsibilities, determined under the [Gene Technology Act 2000](#), [Gene Technology Amendment Act 2015](#), [Gene Technology Amendment Act 2007](#), [Gene Technology Regulations 2001](#), [Gene Technology Amendment \(2019 Measures No. 1\) Regulations 2019](#) and [Gene Technology \(Queensland\) Act 2016](#), and take into consideration the [National Framework of Ethical Principles in Gene Technology 2012](#), are to:

- 2.1 Make recommendations to the Deputy Vice-Chancellor (Research) on matters relating to statutory, professional or other requirements relevant to compliance with biosafety standards, including the development and implementation of appropriate policies and procedures pertaining to biosafety.
- 2.2 Provide advice to employees and students on work involving biological hazards including potentially infectious agents, genetically modified organisms and/or imported biological materials from interstate or overseas.
- 2.3 Arrange initial and annual inspections and approval of all laboratories working with risk group 2+ pathogenic microbes, and facilities for work with imported biological materials from interstate or overseas.
- 2.4 Arrange initial and annual inspections and provide advice on the containment facilities required for work with genetically modified organisms, in advance of any application to the Office of the Gene Technology Regulator (OGTR) for certification of facilities.

- 2.5 Develop procedures and monitor compliance that appropriate records are kept of approved facilities for:
- risk group 2+ pathogens
 - genetically modified organisms, and
 - imported biological materials from interstate or overseas.
- 2.6 Evaluate all proposals for teaching and research work involving genetically modified organisms, in terms of risk assessment for planned activities, facilities, training required, and notification to relevant regulatory agencies, etc.
- 2.7 Confirm that all proposals for exempt dealings and notifiable low-risk dealings with genetically modified organisms are correctly classified, within current regulations, and to communicate the correct information to the OGTR.
- 2.8 Assist employees in the preparation of applications to OGTR for licensed dealing with genetically modified organisms, including compliance with any imposed conditions.
- 2.9 Monitor activities through:
- audit reports, and
 - accident reports relating to activities dealing with:
 - pathogenic microbes,
 - genetically modified organisms, and
 - imported biological materials.
- 2.10 Liaise with relevant regulatory agencies on any other relevant aspects of accreditation, compliance and licensing.
- 2.11 Report to the Research Committee after each meeting on matters brought before the Institutional Biosafety Committee.

3 REFERRAL OF MATTERS

The Committee may refer any item to the Deputy Vice-Chancellor (Research) and/or Research Committee for discussion, consideration and/or action, and may refer relevant matters for action or noting to other committees or officers as appropriate.

4 SUB-COMMITTEES

The Committee may establish standing or ad hoc sub-committees and approve their terms of reference, which must be constructed to ensure consistency and coordination between the functions of all sub-committees.

The Committee shall receive reports from its sub-committees and be responsible for monitoring and evaluating each sub-committee's activities against their functions and responsibilities.

5 MEMBERSHIP AND TERMS OF OFFICE

The membership of this Committee shall be constituted in accordance with OGTR accreditation requirements and with Australian Standard AS/NZS 2243.3 – Safety in laboratories, with knowledge and expertise covering relevant areas of current research and teaching. All members, including the Chair, will be appointed by the Deputy Vice-Chancellor (Research), on the recommendation of the Chair.

The Committee shall comprise:

Appointed members:

- a Chair, drawn from the senior managers of the University, with relevant qualifications and experience
- a microbiologist drawn from the University community
- a molecular biologist drawn from the University community
- a biomedical scientist drawn from the University community
- a bio-containment engineer
- a technical officer with responsibility for PC2 laboratories and equipment
- the delegated University Health and Safety Officer
- a representative from the Facilities Management Directorate, and
- a member of the community, from outside the organisation.

The Committee may also co-opt additional members to deal with particular issues or applications, where necessary.

Gender representation on the Committee's membership is encouraged.

All members are expected to represent and maintain effective communications between their organisational area and the Committee, as appropriate.

New members will, on their appointment, receive relevant induction information and briefings to assist them to meet their Committee responsibilities.

Members shall serve for a term of up to three years, extendable by mutual agreement.

6 RIGHTS OF AUDIENCE AND DEBATE

The Committee may extend rights of audience and debate on a standing or ad hoc basis.

Vice-Chancellor's Advisory Committee members have standing rights of audience and debate.

Employees and external stakeholders may request the opportunity to address the Committee at any time. The Chair will consider and determine these requests.

7 OBSERVERS

Observers are welcome with the Chair's prior permission and provided they advise the Secretary in advance.

Observers are entitled to see and hear the proceedings of the meeting but have no voting rights and no right to speak at meetings, unless invited to do so by the Chair. Observers must leave the meeting when requested by the Chair, or if any matters are to be considered in closed session.

8 CHAIR

The Chair shall be appointed by the Deputy Vice-Chancellor (Research) and will be an appropriately qualified and experienced professorial employee, Dean or Deputy Dean of the University community.

The Chair shall serve for a term of office of three years, extendable by mutual agreement.

The members present will elect an Alternate Chair if the Chair is unable to attend a scheduled meeting.

9 SECRETARY

The Deputy Vice-Chancellor (Research) shall nominate the Secretary, who will provide administrative support for the Committee.

10 CASUAL VACANCIES

A casual vacancy for an internal member shall be filled by calling for expressions of interest within the University. Recommendation for appointment will be made from the Chair to the Deputy Vice-Chancellor (Research).

A casual vacancy for an external member may be filled by advertisement via CQUniversity networks or external advertisement calling for expressions of interest. Where specific expertise is sought, individual approach to suitable candidates may be made. Recommendation for appointment will be made by the Chair to the Deputy Vice-Chancellor (Research).

11 REMOVAL OF A MEMBER FROM OFFICE

The Committee may terminate a person's membership for misconduct by a vote of two-thirds of those present at a Committee meeting called in accordance with these terms of reference, and for which due notice of the motion to terminate the person's membership has been given.

Where a member or their nominee does not attend three consecutive meetings without adequate cause, that person's membership may be terminated. A person who has had their membership terminated may apply to the Committee to have their membership reinstated.

12 QUORUM

The quorum for a committee meeting shall be 50% of the membership, plus one.

Where a loss of quorum is identified, the meeting may be adjourned until a time the Chair determines.

13 CONFLICT OF INTEREST

Committee members are required to declare to the Chair any real, perceived or potential conflict of interest they may have with any item on the Committee's agenda. If such absence leaves a gap in professional expertise, the Committee must invite another expert member to join for consideration of the matter. All declarations and actions taken to address a conflict of interest shall be reported.

If the Chair or Committee deems a member to have a conflict of interest in a matter before the Committee, the member must not be present when the Committee considers that matter.

Further details on identifying and dealing with a conflict of interest are provided in the [Conflict of Interest Policy and Procedure](#).

14 MEETINGS

Committee meetings may be held face-to face, by telephone, videoconference, or other electronic means. Committee meetings shall be held at least once per year, convened as business arises, as determined by the Chair.

Committee decisions may be made at a duly called and constituted meeting, or by a resolution in writing to all members and physically or electronically signed by at least 75% of members who are entitled to vote on the resolution other than those on an approved leave of absence.

Committee members are required to fully prepare for each meeting, read the documentation in advance, and make every reasonable effort to attend each meeting.

15 ACCESS TO RESOURCES

External Committee members will be provided with access to any resources they reasonably require to fulfil their duties as a Committee member.

The University shall indemnify the members of the Committee against all claims for damages, compensation or costs, including and legal costs incurred in defending such claims, arising from membership of the Committee.

16 AGENDAS AND MINUTES

Agendas and associated documentation will be distributed at least five working days before the meeting. Members will be notified by email of the location and availability of material. Members are encouraged to view the agenda electronically during the meeting.

Only with the Chair's permission will late papers or the tabling of papers be accepted. All papers must be submitted to the Secretary by the specified submission deadline.

Committee records are subject to the Queensland [Public Records Act 2002](#) and must be retained by the Secretary in accordance with the University's [Records Management Policy and Procedure](#).

Minutes are to be prepared from each meeting. The Chair will review the draft minutes and action sheet of each meeting, after which the Secretary will circulate the documents to all committee members and include them in the agenda papers for the next meeting.

17 EVALUATION AND REVIEW

To ensure the Committee is fulfilling its duties, it will undertake an annual self-assessment of its performance against these terms of reference and provide that information to the Research Committee, along with any information the Research Committee request to facilitate its review of the Committee's performance and its membership.

The Administrator shall review these terms of reference every two years, in conjunction with the Committee, and provide a report, including any recommendations, to the Research Committee.
